### **Reimbursement of travel expenses**

Travel expense reimbursement is possible for EU project summer camps. For this you will receive a reimbursement form from ARSP, which you can send up until 30 October 2017, including the original receipts for your travel expenses. ARSP will then pay the cost by bank transfer to an IBAN/BIC-enabled account.

### **Cancellation policy**

If you have to cancel your participation due to unforeseen circumstances, please let us know as soon as possible. If ARSP hears about your cancellation five weeks before the start of the camp, we will reimburse 80% of the participation contribution. If you cancel later than that, no refund will be made as it is usually not possible to fill the place in such a short time and ARSP is then responsible for costs already incurred, such as booked accommodation.
